

CENTER SCENES...

CORDIALLY INVITED

LCYDC has been working in close partnership with our friends in Southwest Alabama since 2019. First looking back during the State of Alabama's Bicentennial to place a historical marker near the site of the old Prestwick High School. And since 2020 we have worked in the present and looked towards the future in collaboration with Prestwick Community Outreach. You are cordially invited to join us in commemorating our efforts with the Ribbon-cutting Ceremony for Prestwick Community Outreach Center which will be held on Thursday, January 19th at 11:00 a.m. Join us in this celebration of hope.

2022 HOLIDAY BRUNCHING

Thank you to our amazing Voyages Females who acted as the hostesses for our 2022 Holiday Brunch celebration. Congratulations once again to all Anniversary recipients and kudos to our 2022 Moreman Award recipient, Meghan Hayward.

HOPE IN BACKPACK

LCYDC and PCO accepted a recent generous donation from Lynch Chevrolet/Cadillac of Auburn. Our Hope and Health in a Backpack project has been distributing healthy food and snack items to students in Washington County public schools since August thanks to grant received from Save the Children and from Genral Motors. Lynch stepped up with a match to the GM Grant with a \$5,000.00 gift. Our thanks to Mark Hall, Arthur Cooper and all of our friends at Lynch Chevrolet Cadillac who are investing in good health and bright futures!

BLESSINGS RUNNING OVER

We are so very appreciative to all who gifted us with their time, supplies, gifts and monetary donations including: Lowes, Lee County Association of Realtors, Mrs. and Mrs. Terry Woodall, The Yoga Group, Trinity Lutheran Church, Ms. Cornelia Johnson, Mrs. Trudy Jackson-Hung, Mayor Ron Anders and others. Our blessings were truly running over throughout this holiday season and we are ever so grateful.

FLOATING ON

Our Chanticleer Learning Center staff and students participated in the Opelika Christmas Parade in early December. It was a magical time - many thanks to Art Teacher, Monica Foster, for leading this effort.

Our boys enjoyed balling at the Boys and Girls Club of Greater Lee County.

Future Leaders

Greater Peace Baptist - led by Rev. Clifford Jones - has continually poured into the children of LCYDC through the years. Their Leadership Academy graduated several of our students

and imparted knowledge to them which will pay untold dividends far into the future - we are so grateful.

Thank You Mt. Zion

Mt Zion Baptist and The Pearls Ministry gifted our children with enough wonderful hygiene supplies to get them fresh and clean through the new year - many, many thanks!
